

OCULUS Versa HD Disposable LenZ[®]

For single-use on the ZEISS RESIGHT[®]

The perfect view
in every case

- Unique lens design
- Smaller footprint, which allows more space for surgical instruments
- Excellent depth of field for better stereopsis
- Full-field clarity for decreased scleral depressing and panretinal laser
- No refocusing with transition between lenses
- Ideal for myopic and pediatric patients

OCULUS[®]
SURGICAL

Versa HD Disposable LenZ

Unique lens design, wide field of view with high definition clarity

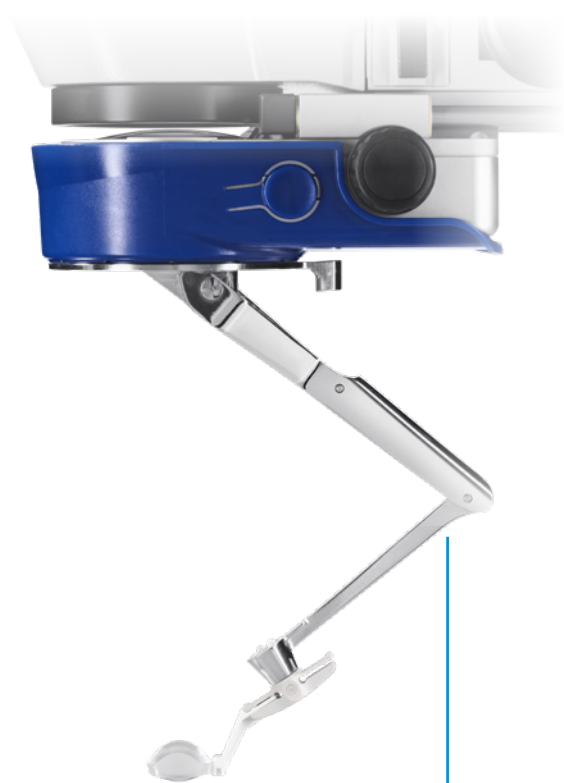

- More space for surgical instruments
- Always ready, convenient blister pack design
- Improved view during air/fluid exchanges

Convenient and sterile blister package
